JOURNEY TO PROVENCE THROUGH YOUR SENSES

When you step into a Spa L'OCCITANE, you are entering a little corner of Provence. Every gesture, every ingredient and every ritual is inspired by our favorite place on earth. Your journey will start with a Welcome Ritual that will help you dive into well-being right away.

Then, your targeted treatment will engage all of your senses - with sensorial textures, relaxing music, and herbal teas inspired by Provencal traditions. Like the rest of L'OCCITANE's universe, our Spa is all about authenticity and we always prefer hand-performed treatments over machines, and traditional massage techniques over technology.

Just as Provence is the land of beauty, Spa L'OCCITANE is a sanctuary of tranquility that will refresh your senses and restore peacefulness and inner balance.

OUR COMMITMENTS: MORE THAN JUST A BRAND!

RESPECTING BIODIVERSITY

Naturally, a brand that loves nature cares about conservation and sustainability. At L'OCCITANE, we use traceable, sustainably sourced ingredients, making sure that plants are cultivated and harvested without harming the environment or biodiversity. We've even developed supply chains that protect local plant species.

SUPPORTING PRODUCERS

Our relationship with our producers is precious, and built on trust and mutual respect. They're the ones who grow the locally sourced, traceable ingredients that lie at the heart of our products.

REDUCING WASTE

Have you heard of the L'OCCITANE three Rs? Recycle, Reduce, React! L'OCCITANE is concerned (to put it lightly...) about the impact of plastic pollution. So we're trying to make a difference. We offer a recycling service in many of our stores to help reduce waste. We sell refills and strive to make our packaging as environmentally friendly as possible.

EMPOWERING WOMEN

At L'OCCITANE, we believe in gender equality and empowering women to achieve their goals. Through our work in Burkina Faso, we've enabled the women who make our shea butter to gain more independence. Our Foundation has helped them to have access to microcredits, literacy programs and education for their children.

CARING FOR SIGHT

Have you noticed the Braille on our packaging? Or the fund-raising products we sell to help fight preventable blindness? Through partnerships with NGOs and UNICEF, and through the work of our Foundation, we act on several fronts to support the blind and visually impaired.

CELEBRATING CRAFTSMANSHIP

Artisanal skills are disappearing, and yet they're so important! When you think of L'OCCITANE, you think of authenticity, expertise, traditions and of course, Provence. L'OCCITANE has always been passionate about craftsmanship and creativity, so it makes perfect sense for the brand to work with local artisans.
